ABOUT

Looking for my **first opportunity** to work with as web developer, I am ready to new challenges and learn new technologies.

SKILLS

Ruby on Rails

HTML

CSS

JavaScript

Git/GitHub

PostgreSQL

Bootstrap

OOP | CRUD | MVC

HTTP Protocol | HEROKU

INTERESTS

React
Swift, Kotlin

LOCAL

São Paulo, Brasil

LANGUAGES

Portuguese – native
English – Advanced

LUCCA PALMIERI DITTRICH

FULL STACK – RUBY ON RAILS

WORK EXPERIENCE

Helper in Quality Control - Cinpal

Jul. 2019 – Sep. 2020

I was responsible to assemble instruments to measure pieces in industry. My work was necessary so other workers had tools to work in their role.

EDUCATION

Le Wagon São Paulo – Batch #898

Web Development Coding Bootcamp

Apr. 2022 – Jun. 2022

Applied Technology Bachelor's Degree

Brigham Young University – Idaho

Sep. 2021 – Dec. 2025

PROJECTS (CLICK ON IMAGE TO GO TO WEBSITE)

Let's Go – Social App

By using Ruby on Rails, I built an events platform like a social media, using APIs, MVC architecture, HTTP protocols and CRUD methods. You can create an account, create an account, create events, send messages to friends, attend an event, see who is going, see localization, post and see photos
Technologies used:

PostgreSQL, HTML, JavaScript, CSS/SCSS, Cloudinary (photo upload), Mapbox (geolocalization), Heroku (hosting).

Rent for All - Marketplace

Platform to trade tools and basic utensils, using the same technologies mentioned above.

Skills: Team work, team communication.

Provinha

Platform for classrooms, students can answer tests, teachers can create tests and see answers from students, also the class president can give extra points to students.

Skills: built from zero, adapted to mobile devices.

OTHERS

Pathway Connect Certificate

BYU Pathway Worldwide - Sep. 2020 – Jul. 2021

Webinars presented by students, with topics: finances, education, professional skills and others. Introduction to BYU University.

ABIJCSUD – Missionary (Volunteer work) Feb. 2017 – Feb. 2019

Visited houses and presented messages of hope and quality of life.

I worked full time outside my hometown training other volunteers, conducting weekly team trainings and personal accountability daily with coworkers.

SENAI Suíço-Brasileira – Precision Mechanincs

Jan. 2015 – Dec. 2016

Learning to work in metallurgical industry, manufacturing processes, technical drawing, automation and others.
